# FUTURE TOGETHER

Ever since its establishment in 1998, the Edufy has been growing, serving and leading from the front in the educational arena. It has now at its credit, an illustrious track record of more than 25 years. With a clear vision, mission and goals, we could setup an unparalleled standing among our fellow competitors. Through our philosophy, commitment and dedication, we now focus on amending the quality of our education system. We further aim at creating a radical positive shift in the behavioural pattern in the form of enhanced skills, values and attitudes. The fulfilment of such and ambition can be possible only by creating a suitable ambiance in our schools through a change in the teaching-learning process and the study materials made available to them.

All efforts have been made to provide quality educational content, addressing the needs of both the educator and the educand, through our publications. We have updated our curriculum, syllabus and text books as envisioned in the NEP 2020 and NCF 2023. All our publications are conceived, designed and developed by a research driven panel of academics and experts, keeping our cherished goals in mind which will provide ample nourishment for the flowering of the human potentials in its most natural ways.

Edufy Publications

## Embracing Holistic Learning with JUNIOR SCHOOL

### Cross-Disciplinary Integration

#### Holistic Understanding

Seamless integration of various domains in accordance with NCF guidelines fosters a comprehensive grasp of subjects.

#### Real-Life Simulation

Practical activities simulate real-world scenarios, nurturing experiential learning and application-based education.

### Nurturing Essential Skills

#### Critical Thinking

Engaging activities cultivate analytical skills and problem-solving, aligning with the NCF's emphasis on higher-order thinking.

#### Collaboration and Communication

Team-based projects instill collaboration and communication skills, vital for the 21st-century learner.

## A Gateway to 21st-Century Skills

Our series covers a spectrum of skills imperative for success in the modern era

### Creativity

Encouraging imaginative thinking and fostering artistic expression.

### Adaptability

Nurturing the ability to learn, unlearn, and adapt in a rapidly changing world.

### Digital Literacy

Integrating technology to develop digital proficiency and innovation.

### Global Citizenship

Cultivating awareness and empathy for diverse cultures and perspectives.

## Engage, Learn, and Grow with JUNIOR SCHOOL !

Experience the magic of learning that transcends traditional boundaries. Join us on an adventure where education meets imagination, shaping young minds for a future full of possibilities.

# CODING, ARTIFICIAL INTELLIGENCE AND ROBOTICS FOR SCHOOLS

## IT Series Codex.AI

### FEATURES

#### CODING AND ARTIFICIAL INTELLIGENCE ALIGNED TEXTBOOKS

Our textbooks, covering KG to Plus Two, are engaging, interactive, and packed with real world examples. Available in both print and digital formats for convenience.

#### AI POWERED CODING PLATFORM

Our cloud-based coding platform, accessible anywhere, enhances learning with interactive exercises, projects, and auto-assessed challenges. It offers teacher resources and works seamlessly with Microsoft, Linux, and iOS, providing a cost-effective solution for schools

#### IT SKILL WORKSHOP

Our Skill Workshops are designed to support students at their own pace, ensuring everyone has a chance to excel, regardless of their learning speed.

#### TEACHERS' TRAINING

We offer ongoing teacher training to empower computer teachers to deliver coding and AI courses, even if they're new to the curriculum.

#### PARENT AWARENESS AND PARENT EMPOWERMENT PROGRAM

We provide parent sessions on the importance of coding and AI in education, along with ICT workshops to help parents support coding homework.

#### INTERNATIONAL EXPOSURE FOR EDUCATORS AND STUDENTS

Discover limitless opportunities with **Codex.AI**. Our global network and international digital fests provide students with international exposure and a platform to showcase their tech skills.

# INNOVATIVE PHYSICAL EDUCATION

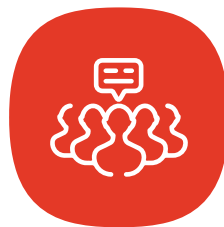

**Edufy FUMOS** is an innovative Physical Education (PE) learning app designed to revolutionize PE delivery in K-7 schools across the globe. Developed by Next Sports Education, it offers a user-friendly digital platform that provides an engaging and comprehensive curriculum. **Edufy FUMOS** tailors interactive lessons, customized activity plans, and skill-building exercises for each grade level, helping students enhance their fundamental movement and sports skills.

Play Based  
Classes

The Best  
Practices

Multi-Sport  
Experience

Building an  
Active Community

## COMPREHENSIVE PE CURRICULUM

**Edufy FUMOS** delivers a well-rounded curriculum tailored to students across the globe in K-7 schools. It provides interactive lessons, customized activity plans, and skill-building exercises designed to enhance physical literacy and fundamental movement skills. The curriculum ensures students are engaged in meaningful, age-appropriate physical activities that promote lifelong healthy habits.

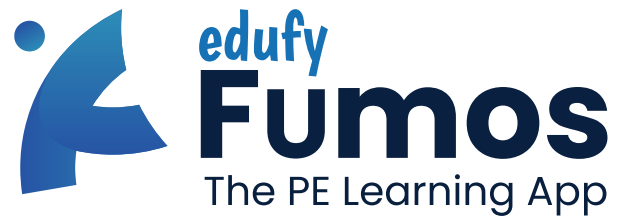

## DIGITAL TEACHING TOOL FOR TEACHERS

- Track the attendance quickly to save time availing more activity time for students.
- Quick access to lesson plans, activity cards & other materials from the palm of your hand
- Schedule lessons, assessments, and fitness tests into your calendar which generates timely pop-up reminders.
- Use rubrics to instantly assess student skill and fitness and record results directly in the tab.
- Generates student grades instantly and made available for parents and school authority.

## TRAIN THE TRAINER

**Edufy Fumos** offers Train the Trainer Program for PE faculty, focused on enhancing their curriculum delivery skills. The program covers topics such as skills demonstration, student evaluation, assessment techniques, and dynamic sessions for content delivery to achieve desired outcomes.

## FEATURES

Demonstrate competency in a variety of movement skills and patterns

Applies movement concepts, principles, strategies to the learning and development of motor skills.

Achieves and maintains a health-enhancing level of physical fitness and leads a physically active life.

Exhibits responsible personal and social behavior that respects self and others

Understand the value of physical activity for enjoyment, health, challenge, self-expression and social interaction.

## Curriculum Development Team

### Christian Bosse

Strength and conditioning Coach of Netherlands' Olympic Team 2022. Trainer of 5 World Champions & 4 Olympic Medalist.

### Jace Ferguson

Curriculum Development & Educational Consultant  
Director, PLAE Education, Canada
